SUMMARY

A proactive and driven Business Computing undergraduate with hands-on leadership experience and a strong foundation in information systems, data analysis, and digital solutions. Skilled in aligning technology with business needs through system development and process improvement. Passionate about continuous learning, teamwork, and applying academic knowledge to real-world challenges. Actively seeking internship opportunities to gain industry exposure and contribute to digital transformation efforts.

EDUCATIONS

Bachelor of Information Technology (Hons.) in Business Computing **Oct 2022 - Present**
Universiti Teknologi MARA (UiTM), Kampus Shah Alam

- CGPA: 3.33
- Business Process Management, Business Analysts, Business Intelligence, and Technology Entrepreneurship

EXPERIENCES

7-Eleven Taman Botani, Ipoh **Jun 2022 - Aug 2022**

Assistant Manager at 7-Eleven, responsible for daily operations, inventory control, and staff coordination. Utilized POS systems and business computing tools to manage sales data, scheduling, and reporting, contributing to operational efficiency and data-driven decision-making.
